The world's leading trade show for General Aviation now in Southern Africa

AERO South Africa is Africa's largest General Aviation trade show, covering the full spectrum of services and products for the aviation industry. Discover what direction developments in the General Aviation industry are going.

The successful launch of AERO SA welcomed over 4200 visitors with over 100 exhibiting companies showcasing the industry's latest innovations from 14 aviation sectors, across 4000sqm.

The event will expose visitors to the latest advances, developments, products and services across the aviation industry. From ultralights and gliders to business jets, helicopters, remotely piloted aircrafts and electric aircrafts as well as avionics and aircraft maintenance, various companies will be afforded the opportunity to showcase their cutting-edge products and services.

Meet with leading industry experts, enthusiasts, aviation companies, flight training schools, pilots, business jet owners and private aircraft owners over 3 days of excitement, demonstrations and face-to-face business meetings.

Aero South Africa is presented in corporation with Messe Friedrichshafen, the organisers of the industry's major trade show that attracts 35,000 visitors from 60 different countries.

2019 Facts & Figures

Why participate at Aero South Africa

- Strengthen business relationships whilst creating brand awareness at Africa's leading trade show for General Aviation, alongside local and international heavy weights
- Meet and network with over 4200 attendees in the General Aviation industry
- Showcase your latest Aviation products and services across 4000 sqm of exhibition space
- Offer a first-hand experience with a demo-flight to prospective buyers
- Park & Sell your pre-owned aircraft for display to potential buyers

About the organisers

Messe Frankfurt is one of the world's largest trade fair, congress and event organisers with a global footprint. In South Africa, Messe Frankfurt organises several Events and has an established office with 33 Staff.

Unique features

Make **Fly-Ins** available to visitors of AERO South Africa

Make active **Demo Flights** possible aircraft manufacturers + distributors and ensure smooth operation thereof

Create a **positive and buzzing atmosphere** with proper visitor flow and additional elements for visitors

A **Private Workshop** area covering relevant topics presented by reputable speakers

Ensure broad and international exhibitor space with **innovative products new to South Africa** by incentivising product launches and global imports

A **private workshop area** is available to host seminars and talks at **AERO SA 2020**. This area will be fully set-up for your convenience and will include audio visual, sound and chairs for your delegates. Cost to book sessions in this area is available on request. Catering not included, but can be ordered at an additional cost.
