SHOW PROFILE

The second edition of AERO South Africa 2022 took place over a 3-day period from 7 – 9 July at the Wonderboom National Airport in the City of Tshwane.

The event was presented by Messe Frankfurt South Africa in partnership with Fairnamic – organisers of Europe's largest general aviation show Aero Friedrichshafen. Our host city - The City of Tshwane have signed a 3-year partnership with AERO South Africa and Wonderboom National Airport with the vision of the City of Tshwane becoming the hub of general aviation in Africa.

The Southern African show for General Aviation featured a FREE-to-attend exhibition with over 70 exhibiting companies showcasing the industry's latest innovations from aviation sectors, across 5106sqm. AERO South Africa featured a 3-day programme with leading industry experts as well as visitor fly-ins, demo flights, a B2B matchmaking programme, Women in Aviation, and a Park & Sell area.

Thank you to all our returning and new exhibitors for supporting the second edition of AERO South Africa and for helping us to make it a successful event. We look forward to welcoming you back in July 2023.

EVENT HIGHLIGHTS

WORKSHOP PROGRAMME/ WOMEN IN AVIATION PANEL DISCUSSIONS

Visitors joined us in conversation with leading General Aviation industry experts that were scheduled from 09h30-15h00 daily. There was much to learn about the latest innovations and take a deep dive into topics such as Women in Aviation and General Aviation Safety Strategies.

VISITOR FLY-INS

Visitors to AERO were able to Fly-In. Pre-registered Fly-Ins received Free Landing, Approach and Passenger Fees.

DEMO FLIGHTS

Selected exhibitors offered demo flights to serious prospective buyers, offering a first-hand experience of the aircraft's capabilities and features.

PARK & SELL

Launched in 2019, the Aircraft Park & Sell area was the ideal opportunity for visitors to source from a range of pre-owned aircraft.
